Tomato—State Certified

Note: Certified means state certified. Keystone certified tomato seed is treated with dry Ceresan "M".
Georgia Requirements: If seed is for the production of plants in Georgia, it must be certified and orders marked "For Georgia Plant Growing" and written up for us to ship direct to the Georgia consignee so that we may notify Georgia officials and comply with their regulations. Only varieties marked "" in the preceding list have been registered for plant growing in Georgia.

CONDITIONS OF SALE: This list cancels all previous quotations. These prices are for prompt acceptance, subject to prior sale and our further confirmation, and to change without notice. Prices are f.o.b. St. Louis, Mo.

BAGS: No charge will be made for bags used to contain full bags of Peas, Beans, and Corn or for small light weight cotton bags used to contain garden and flower seeds in broken bag lots, other than the quantity differential price. Heavy seamless cotton bags or other pack bags will be charged at value and are not returnable.

Except for "Pack Bags", no extra charge will be made for bags with any kind of vegetable seed ordered in less than full bag quantities if the order may be filled with "Standardized", broken bag sizes as shown over each price column.

TERMS: Garden and flower seeds 1 1/2 per cent for cash in 30 days, net 60 days to firms of approved credit, otherwise C. O. D. or sight draft less 1 1/2%. Other items net cash. All accounts subject to demand draft when due. NOTE: To avoid delay when sending money orders or cash in advance for orders to be sent parcel post, please include postage covering your shipment.
